

## GINNERS REPORT

MORE COTTON GINNED THAN  
EVER BEFORE KNOWN.

Over One Million Bales More Ginned  
Now Than Was Ginned to This  
Time Last Year.

Indications that the cotton crop of the present season would be one of the earliest on record were borne out Monday, by the census bureau's ginning report, which showed a total of 3,663,066 running bales ginned prior to September 25.

This was 1,300,000 bales more than was ginned to that date a year ago, and 1,000,000 bales more than was ginned to that date during any previous year for which records have been kept by the census bureau.

The largest increase in ginnings during the period were reported from Texas, Georgia, South Carolina, Alabama and North Carolina. For the twenty-one working days since the last ginning report, on Sept. 1, an average of 137,703 bales was ginned. This was 44,000 bales more a day than in 1910; 34,000 more than in 1909 and 1908, 81,000 more than in 1907 and 55,000 more than in 1906.

The report giving amounts in running bales, counting round as half bales, with comparative statistics to corresponding dates for the past three years, and the percentage of the total crops of these years ginned to September 25, is as follows:

United States, 3,663,066 bales, compared with 2,312,074 bales in 1910, when 20 per cent of the crop was ginned to September 25; 2,568,150 bales in 1909, when 25.5 per cent was ginned, and 2,590,630 bales in 1908, when 19.8 per cent was ginned.

Round bales including this year were 27,984, compared with 38,026 bales in 1910; 48,070 bales in 1909 and 57,107 bales in 1908.

## Booze Sellers Are Caught.

Sheriff Dantzer, of Calhoun County, who is always on the lookout for lawbreakers, on Tuesday arrested Morris Lemon, Ed Moultrie, Jack Johnson and Ed Christen, negroes, at Fort Motte on the charge of selling whiskey. It would surprise many people to know how many blind tigers there are in this and Calhoun Counties among both white and colored people.

## Supervisor Felder Appointed.

County Supervisor F. J. D. Felder received yesterday notice of his appointment by Gov. Bleas as a delegate to the first annual congress of the American Association of Highway Improvement, which will be held at Richmond on November 20-23. Mr. Felder has attended a number of these good roads meetings, and he will endeavor to attend the convention at Richmond next month.

## DEATH OF ROBERT IRICK.

Aged Citizen of Ellore Community  
Passes Away.

Ellore, October 3.—Special: Mr. Robert Irick, an aged and highly respected citizen residing about three miles north of here, in Calhoun County, died at his home last night about 10 o'clock. Mr. Irick was stricken with paralysis about a week ago, but had been in failing health for several years. He never regained consciousness after the stroke and the end was not unexpected.

Mr. Irick was born and reared in this community, where he was a successful farmer since early manhood. He was 81 years old and was the last member of the immediate family. He was of a quiet, even, unassuming disposition. The deceased was an elder in the Ellore Lutheran Church, and at the time of his death was an elder in the Ellore Lutheran Church council.

Mr. Irick served through the entire civil war. He was a member of the 5th South Carolina cavalry, Capt. Edward's company. He is survived by his widow, Mrs. Francis Irick, and one son, Mr. Edward F. Irick, senior member of the firm of Ulmer-Irick Company, and a prominent and influential citizen of this community, only a few months ago a daughter, Mrs. James H. Hipp, having been called to the great beyond. The funeral services took place here this afternoon. Interment in the family burying ground.

## "Jolly" John Larkins.

Tonight "Jolly" John Larkins will be the attraction at the Academy of Music, presenting the musical comedy, "Royal Sam." With a comedian like "Jolly" John Larkins to thrill and delight it, a large audience will probably be on hand tonight. It is reported that an ovation was accorded to "Jolly" John Larkins and his associated singers during his recent metropolitan engagement. Included in his supporting company are Jennie Pearl, Walter Crumley, Irving Boots Allen, Irene Tasker, Ethel Johnson, Anna Tyler, Jas. A. Lillard, Geo. McClain and a good singing chorus and pony ballet.

## REMARKABLE WAS SEPTEMBER.

Some Freakish and Unusual Weather  
Was Recorded.

From a meteorological standpoint the month of September was most remarkable in many ways and several records were broken. The mean temperature for the month amounted to just 79 degrees, the highest in 11 years. This record was only equaled by the September of 1900 and the month in question of that year was the highest for 40 years.

According to the monthly report issued by the weather bureau the precipitation was 6.1 inches. The official record says: "Snowfall—None"—and of course, there was not—at least in this state. The greatest rainfall during the month occurred on September 21, the total amount of the 24 hours being 2.19 inches.

The highest temperature occurred on September 16, when the mercury soared away up to 94, just like a real July day. The lowest point reached by the mercury was 64 on September 14 (many thought that the heat wave had been broken on that day). Of the 30 days accorded the month there were a quarter hundred cloudy or partly cloudy and five real clear days. Fog occurred on the 26th. Thunderstorms occurred on September 2, 4, 5, 6, 20, 21 and 28. "None is the answer to the question of the visit of frost.

The report of bulletin shoals a deficiency of 11.1 inches of rainfall since the first of the year. The fastest wind blew on the 21st, when a velocity of 22 miles per hour was reached.

## ARE AT THE FRONT.

Orangeburg Boys and Girls in the  
Front at College.

The Orangeburg boys and girls that are off at college are continuing to take the high stand and hold offices of honor as the Orangeburg college students always have. Miss Lucile Melton, who is exchange editor of The Wintrop College Journal, was elected Monday afternoon to the presidency of her class. Miss Melton is a member of the Junior class, but will hold the presidency through her senior year, same being one of the highest honors in college.

Miss Lois Dukes is the secretary of the Student Government, a new idea of discipline instituted this year at Wintrop. Henry R. Sims has been elected as one of the preliminary speakers in a contest to be held at Wofford college to choose the debaters to represent Wofford in the Wofford-Davidson debate.

G. Milton Crum, son of Mr. W. C. Crum, has been elected president of the Senior class at Wofford college, which is a distinct honor.

Other Orangeburg boys and girls are making records at college that Orangeburg is proud of.

## COMING OF THE CIRCUS.

All Should See the Parade of the  
"Mighty Haag Show."

There are three great epochs in the life of a child; the coming of its birthday, the opening of school, and the coming of a circus or the Big Show. The spectacular announcement that The Haag Mighty Shows would be in Orangeburg has somewhat disturbed the children's minds; to which was the greatest event, the closing of the school, their birthday, or the coming of the Mighty Shows.

The coming of the Haag Shows to Orangeburg and the announcement that they would show here on Tuesday, October 17, is indeed pleasant and satisfactory evidence that the people of this city will once more have the pleasure of seeing a real Southern Circus.

## To Give Music Recital.

The music lovers of this city have a rich treat in store for tomorrow evening, when the music faculty of Orangeburg College will have their faculty recital. The numbers for this recital have been carefully selected, and are sure to please an Orangeburg audience. There will be piano numbers by Prof. Tinsley and Miss Milhous, and vocal selections by Mrs. Gilbert, the teacher of voice, and several readings by Miss Markin, the expression teacher. The recital will take place in the auditorium at the college. The auditorium has been recently enlarged and will now comfortably seat a large number of people. There will be no admission fee, and the recital will begin promptly at 8:30 o'clock. All are cordially invited to attend.

## The Dixie Club Carnival.

The Dixie Carnival will present quite a number of attractions on Friday, October 13th. The living head, one of the greatest phenomena of the 20th century will be exhibited. The Dixie Vaudeville Company will present artists of the highest class. Wax works, which compare favorably with the celebrated Eden Musee, of New York, will be shown. Games of chance, fascinating, alluring will hold sway. There will also be many other entertaining presentations, which will be a misfortune to miss. So old and young should grasp this opportunity to enjoy these unusual pleasures.

## Death of Mrs. J. D. Wolfe.

The remains of Mrs. J. D. Wolfe, wife of the late J. D. Wolfe, formerly of this city were brought here Wednesday from Walterboro for burial. The funeral services were held Wednesday afternoon at 3:30 o'clock at the Baptist church and the interment followed immediately after at Sunnyside Cemetery. The deceased was a sister of Mrs. W. M. Sain, of this city, and had a number of friends here.

## NEGRO SHOTS ANOTHER.

Took Offense at Being Called a Fool  
and Went for His Gun.

Cope, October 3.—Special: A few nights ago at a negro frolic, one John Summers became insulted at Ramsey James calling him a fool; so he stepped out and got a single-barreled gun he had carried with him, and returned. It seems that James thought he was only bluffing, and after a few words James turned to walk away, when Summers fired, the whole load entering just about the hip joint and ranging downward. Drs. Brabham and Ciekley were called to the wounded man, while Summers proceeded to return home. He was arrested the next day by Magistrate D. W. Bonnett, and taken to jail, where he now remains awaiting the outcome of James' wound. Summers worked for Mr. J. C. Hayden and James for Mr. S. B. Cope, so both of these gentlemen are one cotton picker short.

School opened here on yesterday with Miss Annie Wright as head teacher, and the boys and girls will soon be hard at work with their books. The assistant teacher, whom the board had elected, accepted a position elsewhere, and did not notify the board in time for them to get another for the opening, but they have succeeded in procuring Miss Wright's sister, and she is expected here today.

One of the heaviest rains of the year fell here Sunday from 11 a. m. to 1 p. m., and yesterday was much cooler. Today is still more pleasant, and the extreme hot spell of the last ten days is a thing of the past.

The cotton fields are still white, and as labor is somewhat scarce, and all of the cotton is open at one time it looks as if there is not much doing, but a close observer will soon see there is none left where the pickers are going over now.

## WOFFORD COLLEGE LETTER.

Orangeburg County Second in Number of Boys Attending.

Wofford opened the session Sept. 20th, with about 300 enrolled, not including about 250 boys in the Fitting School. The Freshman class this year numbers 110, the largest Freshman class ever entering upon the year's work. Last year the class numbered 99 at the opening.

As has been the case for the last few years the delegation from Orangeburg county ranks next to Spartanburg in the number of representatives. This year there are about 25 from Orangeburg County, divided as follows:

Seniors—Milton Crum and Arthur Ayers, of Orangeburg; and Pelham Felder, of Ellore.

Juniors—W. J. Moss, of Norway; Henry and Hugo Sims of Orangeburg; and G. H. Hodges, of Raymond, and Wendel Tiller, of Rowesville.

Sophomores—Wallace Betha and Marion Fairley, of Branchville; Hubert Josey, Dibble Moss and William Smith of Orangeburg.

Freshmen—F. D. Evans, of Ellore; Carlyle Phillips, of Rowesville; R. T. Fairley, of Branchville; Eddie Blackmon, John Harley, West Summers, Julien Wolfe, John Riley and Alexander Herbert, of Orangeburg.

The first meeting of the Orangeburg County Club was held Monday. It was decided not to elect new officers immediately, but that the old officers continue for a few weeks. The old officers are A. W. Ayers, president, and H. R. Sims, vice-president. A new secretary will have to be elected.

The Calhoun County representatives this year are: W. W. Steadman, W. W. Holman, G. W. Wannamaker, L. B. Wannamaker and F. M. Rayson, all of St. Matthews.

## "Jolly" John Larkins.

Always justly noted for the completeness of the productions they give his stars, Managers Morrow and Mindlin are said to have outdone themselves in the way they have staged in many years than that which musical comedy, "Royal Sam," which will bring "Jolly" John Larkins to our city tonight, when he will appear at the Academy of Music. Nothing finer scenically or artistically has been seen upon the American stage in years than to spectacle which will greet our colored theatre-goers when they view this latest effort of Larkins, in which it is said that he surpasses his own efforts of the past.

## Death of E. O. Culler.

Mr. E. O. Culler died at his home in the Kitching's Mill section Sunday night at 8:30 o'clock, death following a malignant inflammation of the stomach. Mr. Culler suffered several severe hemorrhages. He became unconscious Saturday and remained thus up until the moment of his death. He was one of the most prominent and highly respected citizens of that section, and his death is deplored by a large number of relatives and friends. He is survived by his wife, who was formerly Miss Ada Brodie, and four children.
